and blame yourself if this Society proves a failure | working hours and the books cannot by taken a grand stand and other buildings were out Callum, Mr. W. E. Grow, Mr. H. E. Pollock, find your work become more of a just harder and the attainment of Pidgin-English and properties to the Jockey Club as aforesaid Lieut. Nicholson, Lieut. C'Malley, Mr. W. D. to you the more you extend your knowledge and by their intellectual recreation. I am not going the fund and properties have been maintained to rehearse the well-known paths so often trodden, and kept up by the annual subscriptions of the to cultivate my abilities, as I have discovered no by upholders of women's rights. I am one of mombers of the Jockey Club, by the sale to the find that you attend more regularly when other as to the result of your deliberations, but feitures in connection with the races, and by the

ings were held proper and convenient latrine accommodation for the use of the public and that they would not let underlet, mortgage, assign, or premises without the previous consent of Hor Majasty, Her heirs, successors, or assigns. The and are now held and occupied by the Stewards and nembers of the Jookey Club solely for the

public or general purposes set out in the said lease and for no other purposes whatever. 13 .- In further reply to the plaintiff's petition the defendants say that by rule 24 of the rules and regulations of the Jockey Club the racing year commences on the 1st of November in one year and ends on the 31st of October in the following your, and by the same rule members are required to pay their subscriptions on or, before the 90th of November in each year for the racing year commencing on the lat of that month, and it is provided that if a member's subscription is not paid before the said 30th of November, he thereby cases de facto to be a member of the Club. The plaintiff did not pay or tender his subscription as a member of the Juckey Club for the racing year commencing the 1st day of November, 1891, notil the 14th day of Dec mber, 1891, and by reason thereof he ceased on the 30th of November, 1891, if up to that date he was as he contends a member of the Club. to, be a member and he thereby forfeited all right or claim (if any) to membership and to his share or interest (if any) in the funds or properties of the Club. The subscription so tendered by him as aforesaid was returned to the plaintiff on the 15th of December, 1891.

Paragraph 12 of the replication was also 2.—Referring to paragraph 13 of the suswer the plaintiff admits that so far as material to the present case Rule 24 of the Hougkong Jockey Clab is therein correctly set out, and also that he did not tender or pay his subscription to the said Jookey Club for the racing year beginning November 1st, 1891, on or before the 30th November, 1891, though he was at all times rendy and willing so to do, but he says that before the said date, to wit on September 26th, 1891, he was informed and notified in writing by the Stowards of the said Jockey Club through their officer Thomas Frederick Hough, Clark of the Course, that he, the plaintiff, had been expelled from the said Club, and was no longer a member thereof. The Stewards of the said Jockey Club never withdraw the said notice of expulsion, and by reason of the premises discharged and exonerated the Plaintiff from tendoring or making

The questions before the Court were set forth in the following issues agreed upon as common ground between the parties :-

1.-Had the plaintiff on the 26th September. have been improperly expelled therefrom on that date.

2.-Did the plaintiff Robert Frazer Smith cease under the provisions of Rule 24 of the Hongkong Jockey Club to be a member of that Club from the 30th November, 1891, because of his failure to pay or tender on or before that date his subscription for the then current racout in paragraph two of the Replication herein?

Now FIRST PURLISHED. THE ROSE OF ALLANDALE A SENSATIO AL STORY OF LOVE AND CRIME BY GORDON STABLES, M.D. R.N. AUTHOR F . 289 R. THE STORY OF A DOUBLE LIFE." " THE MYSTERY OF

A MI: LIONAIRE'S GRAVE," &c., &c. CHAPTER XXXIII.

ROSE MAS OFFERS. It was undeniable that Dance, the detective, was very clover professionally, but, like a good many other detectives. Dance had undoubledly too much to do. He was a painstaking fellow, and trusted a good deal more to the notes he took of any particular case than to his memory. Indeed, from the memos in any one of Dance's have compiled or built up a good three-volume she landed. "I hope he is dead. He must never, novel. He had a book for each case, days and never come to Scotland to darken my darling dates, and all complete, but as l'auce himself baby's life. Never-I'd sooner kill him." six of the dismal stories of crime which these before she proved to her complete and entire books contained were ever brought to a con- satisfaction that Roberts was indeed no more. clues that had begun in the most promising way with a smile and a sigh of relief that would have here, and as often as not death itself, put an end sight into the character of this strange woman. There are the sight into the character of this strange woman. Not death in the shape that Dance would have go to see, one as to visiting any antitio winds of larger and the shape that Dance would have go to see, one as to visiting any antitio winds of larger and another life is sacrificed to larger all. Oh, believe me, the Government, larger or liver, and another life is sacrificed to larger all. Oh, believe me, the Government, larger all larger or liver, and another life is sacrificed to after all. Oh, believe me, the Government, larger all broads about a way. Seems to me at the larger all lar causes, which to Dancels way of thinking was such a thing. Her heart was in Scotland, with the most prosaic of all forms of death. The ber two children Winnie and Rose. Weeba to most prosaic of all forms of death. The ber two children with the same halos and holdly face his accuracy and let expenses. What this counter must maintain contains and residues tage most pressue of all forms of death. The ber two children Winnie and Rose. Weeks a pity even new ne goes not come right straight expenses. What this country must maintain, serious and fatal disease. Scoffers can talk as away home and holdly face his accusers, and let away home and holdly face his accusers, and let away home and boldly face his accusers. his quarry, and which made the man chuckle his man in this way, he was himself elevated. and faithful dog displays towards a kind and by consequent man use Frank, my own himself elevated. the most expensive flower was not too good for single moment in a leve like this. Life and him to wear in his batton hole. All mon are a soul seem given over to the beloved object, in little vais, I suppose, but really it grvs Dance | whose company all light and joy dwells, without some trifling degree of pleasure to be pointed at whom all is darkness and desponding. in awe even by gutter ragumuffins, as the " teo." who hanged Scrooby, the wife murderer, or who got a lifer for Moreton, the defaulting banker

black note-book containing Frank's case was re- shone the flercest, and drove every Enropean legated to the dustical corner of Danco's book away, she lived by herself in a little world of her "The man is dond." Dance said more than days and hours that intervened betwirt the in so red handed a fushion and excupe, in nine cases when she would once more embrace her children out of ten come to an antinely and. McNaugh-

But there were two men who did not believe would tell her, "and do not be unhappy any ton's dead!" that Frank was doad, and while other and more terrible crimes drew Dance's attention away dead and gone." from the Wellard murder, these two men had never given up the hope—the one of proving McNaughton innocent, the other of dragging him home to instice. The men were Jamieson, the kind hearted old gardener, and Captain Gregory, none the less kind in heart perhaps,

but atern and implacable Indeed, Gregory had said more than once that the blood of his murdered friend Wallard seemed. to cry to him from the ground, and that ha would never rest satisfied until justice was meted out to the perpetrator of the cruellest

crime he had ever known. Gregory's case shaps itself into an insatiable even once for years, nor the name of the marlonging for revenge, nor did it become a mania dered Wallard. arily retired sailor settled down on his little even half-broken hearts got healed again, and suggestions of Rose and her step father. scarcely show a sign of the original scar, and if The second spring therefore brought a beauty there be any way in the world of healing hearts and loveliness to the new grounds that was the of this sort he knew also that the cure lay in envy of everyone who saw them. Art and good pleasant activity. So the Rose of Allandale was made mist ress of the model farm, and from morn to night she hardly ever found the necessity of ideness for want of something to do. Gregory

al! around it, but he never did anything without |. confirmed taste; that though he might charm and grace that were as characteristic of she got up in order to run home. She shadder. Rose near him to advise - so he called it - He

had gone in for building to some extent.

Well, surely, then gardening, with model farming combined, there is so more fascinating done by daputy, and old Grysie was Rose's first who knew him. He was simple, unaffected, hold-duties, for she had by this time quite settled | humblest who came in contact with him. But was a rare manager, and the butter that was her life with a sorrow, the shadow of which could made from the creamy milk of those three sleak never perhaps be lifted entirely off her soul. Of Thore is no other way of expressing it. Rose oows was known for and near as the sweetest procurable. The secret of Grysie's that the cows were well fed and kept clean and rook, then finding their way to the garsever forgot to bring them, and so l den gut retiring con modul hyra. and "rant" among the snow.

Bettiek out jes

hens were as tame and the ducks and turkeys; Red in the subshine even the soney pat who hing his woll-pleased on a flower bed, or east inself to be a cat face, in the percent bed, but bed inself to be a cat of some consequence, but knew perfectly well that ulthough the great Newfoundland Brano, in Lis independent way, used often to sourry past her quite closely, he would not have barmed a hair in her honest head for all he was worth. Every creature seemed to love every other creature at Bangalow Farm. Not only was it a model form but a model republic in a small scale, and I'm not sure that, even the big black sow who succeed half the day buried in whitest straw, all save the no-e, did not consider she had as good a right to comfort and enjoyment as anyone else, and that, in some way or another, beyond her comprehension, she earned

straw beds again.

the food that filled her trough. But, in this girl's inmost heart, there ever dwelt the undying love for Frank McNaughton, at her the most perfect belief in his innocence; and the hope unquenchable that he was coming back some day to establish that innecence, and reward her for her love, her truth, and fidelity And in Gregory's inmost heart a hope, that Rose would in time come to look upon her love as the romance of a child's dream give her hand and entrust her happiness to some worthy neight said, advancing. bour, and live happy ever afterwards. And the lape also that one day Wallard would be avenued. He carried his friend's portrait with him, inside the cases of a huge old-fashioned gold watch, and every evening, when he tok

thes cases off to wind this great chronometer, Wall id seemed to look at him in the old way that land so won the sailor's heart. But Gregory's love for Rose did not partake of the nature of selfishness, and when a couple M years rolled by and there was no news of Frank; and when Dance told him that in all probability the man was dead, because people Good evening, Mr. Harper." who commit one orine and escape usually comthink that if he could only be satisfied that the enough not to make love again to the " English slaver of his friend had suffered and had died, Rose. he, Gregory, could be bappy too. But till then, oh! no, never. Not even his regardland love for Rose could melt his sterner nature, or turn him aside from the path that led to_justice, if not however, and neither Frank's name nor the way of sending friends to the right-about when- drews, that poor Frank was an innocent man,

suddenly appear now, like a thunder-cloud on Brune had been round to see Dan and tell him the letter to her, "you are not half as happy as Here was a real danger, and she got into the "Mind you," she said, "I was a little sorry the blue sky of her happiness.

to haunt her like an ugly ever-threatening the least. The laird has a big heart. Harpar, spectre.

But at last the made up her mind that she gined I was in love with him I cannot tell." could stand it no longer. She would know the The girl blushed red as she added. "I hope, dear truth. So the confided all her sorrow to Weeba. Dan, my manner with young men is not a for-Weebs com arted her "baby," as she continued ward one?" to call her, alle she could, and finally jumped with joy at the idea of going out to Coulon for the sake of doing her loved mistress a service and finding out whether Roberts were indeed dead. Grogory was very pleased to permit this faithful servant to cross the seas to bid farewell to

her relatives and to worship at her own shrine. "She will come back," he asked. "Oh, yes," said Winnie, "Weebn would not live away from us now for anything." So, in tears, Weeba tore berself away from her mistress and Role, and in due time arrived at "The villain and flend." she said to herself as

But little recked she Assemble at the deal of the supposition made to shed with the black But Frank Monaughton, the suspected mur. Hardly any one on board that busy ship looked Dance admitted as much himself to his most But little recked she. A squat on the deck in intimate friends, and after a year the little some out of the way corner on which the sun to bring to Winnie. "Live on now, baby," she

> more, he who wrought you such misery is indeed And it had all fallen out precisely as Weebs its writhing victim. What a verdict to go and had dreamt it would. get married after! Yet my lassie Rose would "Dear, kind and faithful Weeba," Winnie marry him in spite of all. Poor Rose, as innohad said, "you have been a second mother to me, and we shall never part again." "Weeba only lives for her babies," was the

syah's reply, "O, yes, Woobs loves her life, but she loves the happiness of her children more." The friendship that had always existed be tween Dan Jamieson and plain Tom Gregory did not suffer a deal because they agreed to differ in opinion, concerning the guilt or innocence of the last Frank. They never mentioned his name

But, just as in the old time, Jamieson used to pleasures of life. No; for as soon as the tempor put in an appearance in the evening at the song, and as often as not enjoy a bit of supper. out of his new hobby that he could. And he did And all the honest gardener's science and skill his best, too, to make those around him happy were freely gifted to his friend and to Bose in order to make the m dei farm garden a thing of Although he could not hide from himself the fact very great beauty indeed. And he managed that poor Rose's heart had been all but broken, matters with such tact that although his judgwhen the sailor lad she loved had disappeared ment and genius improved everything, he apand apparently for ever, still he knew also that peared to be merely carrying out in detail the

winding walks, in shady boreen, in grotte, arbour and fountains, in the charming borders of sweet old fushioned flowers, in the gra eful display of the climbing flower around the porch, in the wealth of greenery on the walls, and in banks from his dwelling house but upon the farm. He and beds of terraced lawns, taste and beauty planted trees and planned and had out gardens everywhere. And Ross-the Ross of Allandale

charm and grace that were as characteristic or one good when the unticed when the hid been, He had a bad meniory, and in many other ways this English Rose as some called her. Some ed a little when we thus for southment pleas. He had a bad meniory, and in many other ways suggest this, that, or the other improvement this is usual ment mean, not women. But, indeed, these latter sitting, but it was no time for southment, please was not out out out for a story," as little girls about parden or bangalow, he would not think had a sould be dealers as Done to the dealers as the dealers as Done to the sould not think had a so of carrying it out until he had first consulted had no reason to be jenious of Rose, nor word sant or otherwise. lier. So Rose really began to consider herself they. The girl very seldem went into even such indispensable to Parmer Gregory, as the neigh. society as this northern village could beast of. respected her less on this account. She had been engaged to a sailor, who before the terrible murder of Wallard had managed without much effort of his own to ingratiate himself with all who know him. He was the nest to leap the terrible things to her if she did not have been engaged to a sailor, who before the terrible things to her if she did not have been engaged without much leapt quickly back again, pretending that he had bours now began to style him, and believing There was a story to berlife, a very sad one, and horself to be indispensable, the girl was calmly everyone knew it, not that anyone loved or The work of the dairy, of course, was effort of his own to ingratiate himself with all hurry up. this young man was gone now, after darkening course, she had long since caused to remember had her arm round the old gardener's neck, in this matter doubtless lay in the fact had never thought of marrying, until he met together; it would have been difficult to have he was five and forty, but he was far from ille-deep in white-clovery less, coming home favoured, and he was wealthy, possessed of a beautiful house and broad sores, that stretched almost from horison to horizon. He woo'd the win her. But he didn't. Why, with all his and a very simple letter after all, and just like need a change, and—hs, ha," (what a lame laugh

to wait for the morsel of crisp cateske English Ross. Ho made sure that he would wealth the laird seemed to have less chance of wedding the English Rose than the free-kirk bly housed and abundantly fed, minister. He was undoubtedly a good and reonce a day for a drink at the ligious person, in deeds as well a words, and Hose went hand in hand with him in trying to bring peace and calm joy to many a hearth and home. He fell in love with his parish helpare as well as the cows was meet, and he candid'y told her so one queed to drive in the low evening as they were returning home together trand saucy, the cocks and by the footpath through the pop y-enerimeoned confident in Gregory and corn field. He also thought that Rose would accept him, and, perhaps, his method of asking her to be his wife on this particular evening was somewhat too straightforward and formal. Wait a minute, Rose," he said, when they were about half way through the fields.

She did not like him to call her Rose. was Rose only to Frank. So the young minister had somewhat made a bad beginning. She had been walking on a little way in front admiring the splandour of the sunsat sky, but now skepped and turned round. " Have you a thorn in your finger ?" she said innocently enough. "I have my needle."

ever extract that, you must just be content to take the thord, heart and all." What unheard of audacity, thought poor Rose! poppies while he spoke, and not even looking at trance and a mambulism, and that he came to she has been pining of late, and Dr. Stevens

"We shall be very happy when man and wife, dear," he continued, "we were meant for each other; same way of thinking, same everything, joy and had to pause to wipe them away before O, you will make the best of minister's wives, my little Euglish Rose."

He had completed his bouquet "I'm going to put this in my love's hair." he The look she gave him would have staggered a less conceib d lover.

He did look taken aback for a moment. "I may have the pleasure of putting the ed bound up in that of Cholly. popples in your bair, may I not ?" he said. She stretched out her band and took the bouquet from his. She shook them in the air the bright, red petals dropped off and wen flattering away in the evening breeze. " Pleasures," she said.

Are like poppies spread, You selze the flower, the blocm is shed. Mr. Harper's rooms seemed cold and empty explained, and so was a very long time indeed in land, really, really," he began, but he did not say mit another and suffer, then Gregory began to that night when he returned, but he was wise

CHAPTER XXXII. I AM GOING TO KE P THAT VOW. No one could say that Rose had not a mind

name of the murdered man was ever mentioned ever they ventured to asume the role of lovers. She had one very dear male friend, however, other excuse for reading this letter over again, As for Winnie, she seemed to have obtained to whom she never hesitated to go for comfort. then the new happy and hopeful girl bade her rest at last. Her darksome past had died with She told him every secret of her life. He was to friend good night and left the cottage. Wallard. No, not quite all at-once, be it re- her guide, councillor, and father confessor. This She fain would have told her stepfather all membered. For during that terrible interview was the ex-gardener, Dan Jamieson. When the about it, but something seem d to whisper to her had he not called her Mrs. Roberts? Good laird proposed for her hand, Dan soon heard of not to do so. But she did not hide the joyful heaven's! She sometimes thought what u it and she was not satisfied that evening on tidings long from Weeba and her mother. terrible thing it would be were that man to which she dismissed the parson till she and

feet away and it should fall. It is for you, I fear, The law can never harm Frank, but-"But what Weeba !" "Oh, the savages may have killed them." "Cruel Weeba!" said Roso, weeping now; "Nothing of the sort, my little lass; it is the will think what is best for her baby. very innecesses of your ways that makes them night, good night." Rose's mother said little. " I will pray," she Then Rose's eyes assumed a fer-away look as sighed, " that all may yet come well. sho sat on Dan's lawn with her arm around took the old sailor to the neighbouring town.

"O. Dan, Dan, do you think it will ever come all right, that the real person will ever be found, and my dear boy be left in peace to-to me?" friend, and this would seem very dry to you." "I haven't ceased to hope and to pray," said Dan, "and, dear lassie, you must continue to do after be had gone, Weeba, whose knowledge of "I do, I do, but even my daddy is so bitter against him, O, it is hard." wish I could give you more heartening it so that no one clee might see it.

Rosie, but we hover know in cases of this kin what's day or an hour may bring forth." "Don't say another word, Dan. I'm going right away home to dwell on these words o When she had gone, Dan Jamieson lit his

I thought I had better ran down and see you," liong an innocant man like Frank. My own

Dan smoked in silence for a time. Then his face brightened and he looked up more hopefully at the great round moon that was shimmering down from the east, and seeming to smile on him. "No," he said to himself. "I never thought of turning to England, and all the way home she that. The prosecution may say that he conrobed for the key and stopped the clock inadvertently

> way of stopping of its own accord. believe they might do their worst, you would land and that there is no island, even the most my husband's advice I tried it, and after the use come scathless out of the dook. " Not proven! Yes, that is an ugly vardiet, and it keeps the danger hanging over the head of a suspected man after the trial; he cannot welk free and away from his accusers as a man, once tried, can in Eugland. Not proven! Certainly a horrible verdict. All your life it seems to say 'you'll be watched and huspected; and if further proof crops up the gallows may yet have

cent as good. Heighe!" The old man arose now and put away his pipe and went slawly into his little cottage.

having a look at it." "We know not what a day or an hour may bring forth." True. And next day seemed. just like all the other days in Rose's life that had for many a long month gone before it. Yet as she was returning home from her walk that gentle! I'm told he was a universal favonitie. evening with Brane bounding by her side, she met the village postman. He had a letter. A letter with a foreign postage stamp on the envelope. A letter for her! She seized it. "O, thank you," she said, and turned quickly away towards the wood. She

wanted to be alone. cannot forget that I registered a vow as I Strangely enough she seated herself on the gezed on my dead friend's face that I would self-same fallen log where she had sat when Wallard made his ill-timed proposal for her leave nothing undone to bring the marderer to the fate he deserves. I am going to keep that When she took the letter from the postman, yow. I am ready to begin. she had hurried it into her packet, not looking twice at the hand-writing. But now her face and somehow he seemed to have aged at least fell. The writing was not Frank's. The post- ten years within the last half-hour.

With a breaking heart she tore it open. As she did so she could not help thinking that this letter must have been tampered with-opened Never mind. It did contain news of Frank. And Frank was alive, or had been when the

position. The good, houtest sailor had plenty of writer saw the last of him from the port of the determination, in one way: he could fight hand to hand with a bear, an iceberg, or a gale of cabin in which he had been made prisoner by wind; but you had only to bring an array of the mutineers of the Mountain Wave, And that writer was none other than Dr. Rose read the epistle once, just only once, then

lies boldly, not even white lies or society fibs. B neo must have seen the glad sparkle in her taking that for which he was no more fit than eye, and dog-like at once assumed the privilege a cow is to dence a polks of rejoicing with her He ran around her bark. After smoking tremendously hard for five or

letter over her head. Ten minutes after this Dan and she were seated together in the summer house with Brane at their feet and literally devouring that letter. his mind. Sour of t'e words were difficult to decipher, but feel like it. this only gave the huppy hopeful pair an excuse for reading the letter all over again from beginning to end. Wel, it was a very frank for all time, did it, Winnie? Well, I find that I

It began by telling Rosa that he must write to her just as if she were his own sister, that having heard so much about her from dear Frank, whom he looked apon quite as a brother, he had really come to like her very much, and longed for the time when they should meet. Then be told ber all about his first meeting ith Frank, and about all Frank's confidences in him. He did not besitute outber to tell Rose how Tilda had become rather fond of Frank at firstthough he added parenthetically that she was now Mrs. Andrews, and the dearest darlingest wife that ever a husband was blessed with. Who Tilda was, the good dector had entirely forgotten to explain, but Dan said to Rose. course. Tilda would be a passenger you know,

and very likely fell very much in love with Andrews, both clever and excellent fellows; the Frank, but he being true to you, lassie, gave her no encouragement, so then the doctor had his innings and brought his bat out? Don't you and, dear wife, I'll return to you all feeling about see, Rosie?" Rosie said it was all as clear as forty years younger." day, and they went on reading the letter. The dector then proceeded to tell of the ar- Winnie, so quietly, as her eyes drooped once rival of Choily and how Frank had made a commy heart. As no needle you can produce can plete confident of him-Dr. Andrews-how he So quietly, yes, but Tom started as if he had could see from his eyes and his manner that he been shot.

was speaking the truth, win to man and heart | This was a broadside that to heart, how he Dr. Andrews was somewhat himself from. of a psychologist and had studied many cases of _ "You must have seen," added Winnie, "how no more committed that murder than his bonest sunny climate he will het be accountable for the dog Rover-had. At this Rose had shed tears of consequences." The letter then told of the plague that had on his bald patch.

"The Real Cup o' Kindness." Perfect blendings of the Choicest Brands of the Highest Casses of Fine Old Whiskies in their native purity, as produced in Scotland, absolutely untampered with. MATURED IN SHERRY CASKS. A LUXURY IN PURE SCOTCH WHISKIES.

The letters "BOS" are the Name, Brand, and Registered Trads Mark of this matchless.
Old Scotch Whisky.

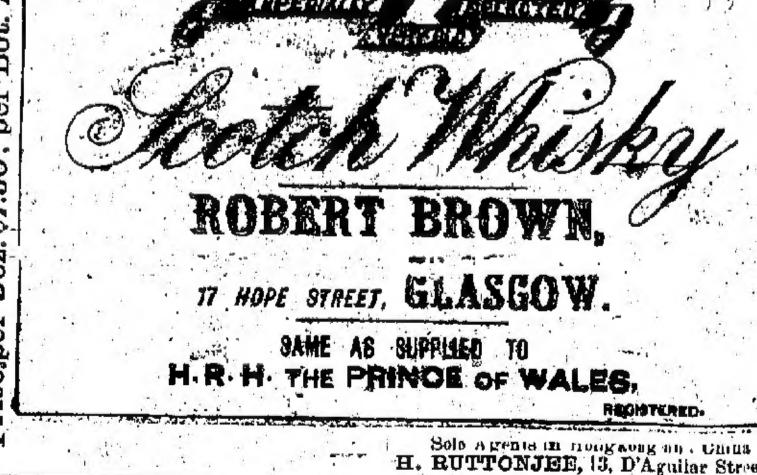

pronounce them unique and unrecalled.

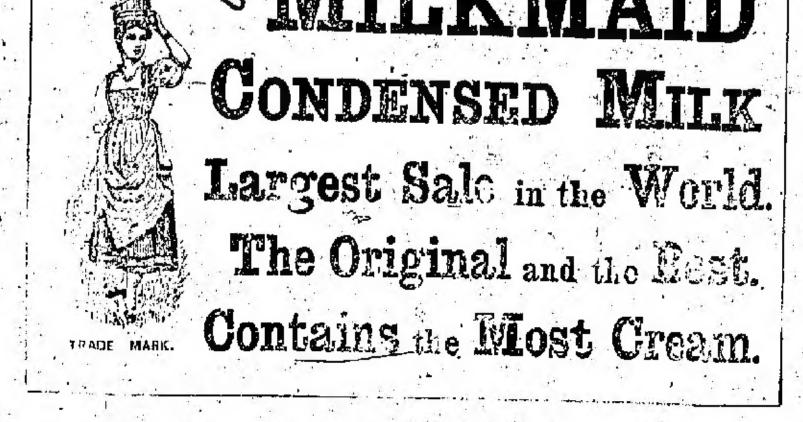

"BOS" Whiskies are remarkable for their "delicious individuality of flavour," mellowness and softness on the palate—"A very nectar," in marked contrast to ordinary blended Whiskies, which are more or less dominated by one or other of the Whiskies used in blending.

"BOS" is soid in square white bottles, tabelled and coprolled, the quality being notified by a small label on each bottle. The proprietors are skilled blanders of Scotch Whisides, but in all the experience of their Firm, extending over the openent, century, they have never been able to accomplish anything so fully complying with the mean exacting tests, as is now presented in these special blends of "BOS." None Convine unless the Cork bears the name of PEASE stamped thereon. Correspondence Invited from Firms who desire to handle our Whiskies,

American. of the Irish Legislature, and gives Irish representative peers the right to sit in the House of Lords at Westminster and vote on all Imporial questions. Controversies regarding constitutional questions are to be referred to the Judicial Committee of the Privy Connoil for decision. The functions of the Lord-Lieutenants are the same as in the Bill of 1836, and the judiciary is to remain for five years under the control of the Imparial Government, then to pass under the control of the Irish Government Other provisions are similar to those of 1986. Lornon, 30th January.

Colonel Saunderson, M.P. for North Armagh, the elegant harmorens, and puggasoions leader of the Irish Unionists, presided this evening over a meeting of the Irish Uniquist members of Parliament. They then resolved to fight the Gladstonian programme at every stag , desming it a matter almost of life and douth for the great Unionist commercial districts of Northern Ireland. They emphationly reiterated their determination to sceept no form of Hom, Bule, howbeliable reve NEW YORK, 31st January.

The Irish National League of America has strongly denounced the recently issued draft of a Homa Rule Bill. It will have none of any Bill, such as the one outlined. The manifestoruns thus: "We have earefully studied its Amount brought forward from bolow ... 301.495.70 provisions and are of the opinion that the measure is a more mass of legal verbiage, intended to give no satisfaction to any party. Even should the Bill pass, it would only place Ireland on a still lower level. We stand to-day 31.039.61 at the parting of the ways betwirt resistance and 1,316.39 | reconciliation. We have advised the latter until patience has ceased to be a virtue and further temporising has become a prime. We advise the formation of clabs wherever there are Irishmen honestly desirous of improving the condition of Ireland. We cult on you to join with us so that wa may be able to round out the century by the fulfilment of our hopes."
